Dear friends of St. Mary's:

St. Mary's Foundation was established in 1998 in Wilmington, CA. to serve a diverse population of needy and disadvantaged people. We provide free medical services, tuition assistance, funds for food programs, and so much more to improve the quality of life of many around the world.

On Saturday, October 20, 2018, we will be raising funds for our **20th Anniversary Celebration** at the DoubleTree by Hilton-South Bay. The funds raised at this event will allow us to continue to assist the people we serve all year round. Saint Mary's Foundation runs completely on private donations and every dollar given will go towards the care, education and growth of the participants in the program.

Our Foundation is so blessed by our community and friends and we ask for your support for our final fundraiser.

Please complete and return the enclosed Donation Form, along with your donation, by October 2, 2018. Any and all donations are appreciated. Please take into consideration that even \$1.00 can benefit and change a person's life. You can also contact us at (310) 525-9122 or saintmarysfoundation@yahoo.com and you can view our event information at www.saintmarysfoundation.org.

We are so appreciative of all of your help because every donation or volunteer hours provided have impacted the needy in a positive way. We would like to make you aware of how beneficial your generosity has been over the years and to continue to provide a worthwhile life for those who need it most.

Best Regards,

Dr. Nabil El Sayad
Founder and President.
